Subject: **MATERIAL INFORMATION**

Dear Sir

We are pleased to inform that Alhamdulillah after clearance from the Port, imported plant and machinery for 3rd ASU plant of the Company (Ghani Gases Limited) arrived at site of the Company i.e Phool Nagar Bypass, District Kasur in February, 2019 and installation activity is being carried out and inshallah commissioning is planned by mid May 2019.

Ghani Gases Limited entered in Industrial & Medical gases market in 2009 and in last 10 years this is our 3rd plant. Initially, during 2009, Company setup its 1st state-of-the art 110TPD ASU plant at Phool Nagar, District Kasur and entered in the business for manufacturing of liquefied industrial and medical gases. Thereafter during 2014, to capture the liquefied industrial and medical gases market in south, Company setup another 110TPD ASU plant in Port Qasim, Karachi.

In the line with the aggressive expansion and BMR strategy, this would be the third 110TPD ASU plant of the Company that will be Insha Allah in operation by May 2019. As already announced planning is underway for a new 4th expansion in South.

It is requested to disseminate the above information to the TRE Certificate holders of the exchange.

Thanking you

For Ghani Gases Limited
